

Fax Info Service

perfect in sensors.

Company _____
 Name _____ Title _____
 Department _____
 Address _____
 Town _____ Postcode _____
 Country _____ Tel. _____
 Fax _____ e-mail _____

NOTE: The featured sensors represent a small selection of our product range.

Please find detailed data sheets under www.asm-sensor.com

- I have a special application and need assistance, please **contact me**
 asap in _____ weeks occasionally

Product Catalogue Request: please send me the following product catalogs

- POSIWIRE**® Cable Extension Position Sensors
 POSITAPE® Tape Extension Position Sensors
 POSICHRON® Magnetostrictive Position Sensors
 POSIMAG® Magnetic Scale Position Sensors
 POSIROT® Magnetic Angular Sensors
 POSITILT® Inclination Sensors

Position Sensors for Mobile Working Machines

Construction & transport machines, cranes,
 municipal vehicles, diggers, agricultural
 and forest machines, tractors, forklifts,
 ground conveyors, industrial trucks etc.

POSICHRON® – PC Series Magnetostrictive Position Sensors

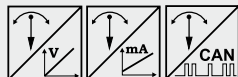

- Measurement range: 0 ... 5750 mm
- Protection class IP64 / IP69K
- **Applications:**
 hydraulic cylinders, elevators,
 outriggers, side cantilevers

POSITILT® – PTAM Series Inclination Sensors

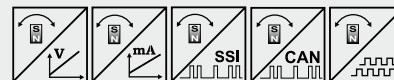

- Measurement range:
±15° to ±180° (1 axis),
±15° to ±60° (2 axes)
- Protection class IP67 / IP69K
- Magnetic or MEMS technology
- Applications:
boom and cantilever angles,
tilt of axes of vehicles,
steering angles

POSIROT® – PRAS Series Angular Sensors

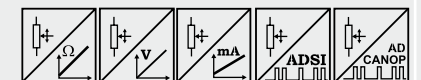

- Measurement range:
0 ... 15° / 30° / 45° / 345° / 360°
- Protection class: IP67 / IP69K
- With shaft or non-contact
- Applications:
angles of axes of vehicles, steering
and cantilever angles

POSITAPE® – WB Series Tape Extension Position Sensors

- Measurement range:
0 ... 19000 mm
- Protection class: IP64 / IP69K
- With stainless steel tape and dust wiper
- Applications:
cantilever and boom length,
outrigger position

The featured sensors represent a small selection of our product range!
